- a. Supporting Children in the Aftermath of Crisis – Dr. David J. Schonfeld, MD, FAAP, Professor, Practice in the School of Social Work and Pediatrics, University of Southern California and Children's Hospitals, Los Angeles
- b. PsySTART Rapid Mental Health Triage and Incident Management System for Children – Dr. Merritt D. Schreiber, PhD, Associate Professor of Clinical Emergency Medicine, and Director, Psychological Programs, Center for Disaster Medical Sciences, and Director, Pediatric Trauma Psychology Consultation Service, University of California Irvine School of Medicine
- c. An Application of Treatment of Military Post-Traumatic Stress Disorder (PTSD) and Compassion Fatigue for Taking Care of the Civilian Caregivers in a Pediatric Disaster - Captain Rick Schobitz, PhD, Developer and Chief of Intensive Outpatient PTSD Services and Residential Substance Use Disorder Services, Brooke Army Medical Center, Fort Sam Houston, Texas

## **DAY 2 – RESILIENCE AND EXTENDED PEDIATRIC CARE IN A DISASTER (Continued)**

### **Topic 3 – Coalition Development in Support of Resilience in Children:**

- a. Pediatric Disaster Coalition Tools – Dr. Vicki Sakata, MD, FAAEM, FAAP, Senior Medical Advisor, Northwest Healthcare Response Network
- b. A Regional Approach to Pediatric Disaster Coalitions – Dr. Andy Rucks, PhD, Professor, Director of Finance and Administration, and Executive Director, Survey Research Unit, School of Public Health, University of Alabama at Birmingham
- c. A Midwest Model for Pediatric Disaster Coalitions – Evelyn Lyons, RN, MPH, Emergency Medical Services for Children Manager, Illinois Department of Public Health
- d. A California Model for Pediatric Disaster Coalitions – Pat Frost, RN, MS, PNP, Director Emergency Medical Services, Contra Costa Health Services

1:45PM to 2:00PM	Break
2:00PM to 2:45PM	Pediatric-Focused Break-outs: Repeat Earlier Topics
2:45PM to 3:00PM	Break
3:00PM to 3:45PM	Keynote: Lessons Learned from Managing Pediatric Injuries in Haiti – Dr. Vicki Sakata, MD, FAAEM, FAAP, Senior Medical Advisor, Northwest Healthcare Response Network
3:45PM to 4:00PM	Evaluation and Announcements

## **DAY 3 (November 4, 2015) – RECOVERY AND LESSONS LEARNED FOR COALITIONS**

7:00AM to 8:00AM      Networking Breakfast

8:00AM to 8:15AM      Welcome Back

8:15AM to 9:00AM      Pediatric Disaster Coalitions and Subcommittees Today and Tomorrow: A Dialogue on the Development of Benchmarks and Best Practice Guidelines –Dr. Michael Frogel, MD, Co-Principal Investigator for the New York City Pediatric Disaster Coalition, Maimonides Medical Center, New York, and Associate Professor of Pediatrics, Albert Einstein College of Medicine; Dr. Cynthia Hansen, PhD, Senior Advisor, Division of National Healthcare Preparedness Programs, U. S. Department of Health and Human Services, Washington, DC; Dr. Steve Krug, MD, FAAP, Professor of Pediatrics, Northwestern University Feinberg School of Medicine, Chicago, Head, Division of Emergency Medicine, Ann and Robert H. Lurie Children's Hospital of Chicago, and Chair, Disaster Preparedness Advisory Council, American Academy of Pediatrics; and Laura Prestidge, RN, MPH, Pediatric Preparedness Coordinator, Illinois Emergency Medical Services for Children

9:00AM to 9:45AM      Pediatric-Focused Break-outs:

### **Topic 1 – Children and Family Reunification:**

- a. Planning Guides for Hospital Reception Sites and Family Reunification Centers – Patty Seneski, RN, Chair of the Hospital Reception Site Subcommittee and Emergency Management Program Manager for Banner Health System, and Allen Clark, Chair of the Family Reunification Initiative and Emergency Management Director for Arizona State University
- b. Reunification of Children – Lauralee Koziol, Senior Advisor, Federal Emergency Management Agency, and Sharon Hawa, Manager, Emergency Preparedness and Response, National Center for Missing and Exploited Children

## **DAY 3 – RECOVERY AND LESSONS LEARNED FOR COALITIONS (Continued)**

- c. Family Reunification – Dr. Sarita Chung, MD, Director of Disaster Preparedness for the Division of Emergency Medicine at Boston Children’s Hospital

### **Topic 2 – Disaster Recovery for Children:**

- a. Community Recovery from Hurricane Sandy – Sunday Gustin, RN, MPH, Administrator, Early Childhood Services, New Jersey Department of Children and Families’ Family and Community Partnerships
- b. Disaster Recovery for Children in Multiple States – Dr. Paul Myers, PhD, CEM, and Subject Matter Expert for Children in Disasters
- c. Issues Impacting Recovery for Children Following a Disaster -- Dr. Scott Needle, MD, Primary Care Pediatrician and Chief Medical Officer, Healthcare Network of Southwest Florida, the Academy of Pediatrics Disaster Preparedness Advisory Council, and the National Advisory Committee on Children and Disasters

### **Topic 3 – Coalition Development (Continued):**

- a. Pediatric Disaster Coalition Building – Dr. Cynthia Hansen, PhD, Senior Advisor, Division of National Healthcare Preparedness Programs, U. S. Department of Health and Human Services, Washington, DC.

9:45AM to 10:00AM      Break

10:00AM to 10:45AM      Pediatric-Focused Break-outs: Repeat Earlier Topics

10:45AM to 11:30AM      Family Reunification and Recovery Following the Sandy Hook Shooting – Executive Officer Captain Joe Rios, Newtown Police Department

## **DAY 3 – RECOVERY AND LESSONS LEARNED FOR COALITIONS (Continued)**

11:30AM to Noon      Facilitated Dialogue on What We Learned for Our Coalitions and Evaluation

Noon      Adjournment

\* \* \* \*

Noon to 3:00PM      Planning Committee (Executive) Meeting
